A Community of Peace & Justice

From the Pastor's Desk – What Does the New Year Hold?

"For surely I know the plans I have for you, says the Lord, plans for your welfare and not for harm, to give you a future with hope." – Jeremiah 29:11

When one year ends and a new one begins, there is often a sense of hopeful excitement and optimistic anticipation at what the new year will bring. It is a time when many will set intentions for themselves in 2026 (we call them New Year's Resolutions as we open ourselves to what changes might come our way). At this turning of the calendar page, we enter the unknown of 2026 with a spirit that may just be a little more open to and enlivened by the possibilities of what comes next.

I feel all of this, not only in my personal life but in the life we share at Bethany! What holy work will we do together in 2026? How will we reach out in new ways to engage and care for our community? What divine possibilities await us as we lean into the guidance of God's Spirit? As we live into these questions and as we find the answers together, I trust, above all, that the answers which await will be good! I trust that God is in the mix as we journey forward together. Like Jeremiah, I trust that God is moving us toward a future of hope. So may we lean into that future with hopeful excitement and optimistic anticipation!

Thank you for your Financial Support!

To all who contributed in 2025 to the financial needs of Bethany, thank you! Your ongoing support in this past year of transition kept our ministries going and has helped set us up for a great 2026!

In 2026, our offering goal is \$52,000 which is an average of \$1,000 per week. We will strive to keep the congregation informed on how we are meeting that goal. Meeting or exceeding this goal will help keep Bethany on a good financial foundation as we look toward the future with hope!

A Note of Gratitude to our Bethany Church Family!

Thank you for the kind and generous love offering shared with us this Christmas season! You bless us in all the ways you support our shared work together, and we are grateful to get to serve among such a kind and thoughtful congregation!

In Gratitude,
Jane Campbell and Rev. Josh Fitterling
